

## Exhibition

A high profile trade exhibition open to institutions and supporting services will be held simultaneously with the congress.

## Sponsorship Opportunities

The organizing committee has designed sponsorship packages that will offer excellent value for money for interested parties. Sponsorship packages can be viewed on the Congress Website.

## Accommodation and Transportation

In Aachen, there are plenty hotels in all categories. Congress hotel is the Hotel Pullman Quellenhof.

International airports Cologne (CGN) and Duesseldorf (DUS) are located 70 km resp. 90 km from Aachen; both are well connected to the railway track.

Details about hotels are available on the ISM 2013 Congress Website.

## Social Events and Technical Tours

Social events are planned to be offered during the congress for attendees and accompanying persons. Technical tours will take place on Friday September 20, social and cultural during the congress.

For pre- and post-congress tours, we will offer appropriate links on the ISM 2013 Congress Website.

## International Society for Mine Surveying

## XV. International ISM Congress

Aachen – Germany  
16. – 20. September 2013

in conjunction with the  
National Conference  
Energy and Raw Materials 2013 (EuR)  
of the  
German Mine Surveyor Association  
(Deutscher Markscheider-Verein e.V. - DMV)

## First Announcement and Call for Papers

**Deutscher Markscheider-Verein e.V.**

Experience the German  
Culture and Heritage

## General Information

The German Mine Surveyor Association (Deutscher Markscheider-Verein e.V. - DMV) announces the XV International Congress of the ISM in Aachen - Germany, 16 - 20 September 2013.

The Congress will serve to push forward the science and transfer of expertise in the mine surveyor's scope of work, in mining and the raw material industry. Germany with its long mining tradition is one of the largest and most competitive European mining regions with a high economic importance. Germany's mining technology as well as its top ranked universities and research institutions with their high international reputation stand for cutting-edge technology developed for mining and post mining worldwide.

Beyond that, Germany is a global player for research of renewable energy resources.

Germany and especially Aachen with its international flair, 2000 years of history, a rich cultural heritage and wonderful natural surroundings expect about 500 international and national guests, experts and executives.

## Congress Topical Subjects

The XV International ISM Congress and the EuR National Conference are scheduled to address the following subjects:

- ▶ Instruments and Measurements (e.g. GNSS, InSAR), GIS and Mine Mapping
- ▶ Geometry of Mineral Deposits, Mineral Resources Management and Planning Tools
- ▶ Prediction and Monitoring of Rock and Ground Movements, Subsidence Issues
- ▶ Environmental Planning and Sustainability in Mining
- ▶ Mining Closure, Development of Abandoned Mines and Economic Transformation of Mining Regions
- ▶ Mine Water Management during and after Production Period
- ▶ New Energies and Developments (e.g. Conventional and Unconventional Gas, Geothermal Energy, CCS)
- ▶ Education and Legal Issues in Mine Surveying

## Official Languages

The official language of the ISM International Congress is English. All papers should be submitted in English.

Regarding the official languages of the ISM, papers could also be submitted in Russian. During the congress a special session for papers in Russian Language will be organized.

The official language of the EuR National Conference is German. All Papers should be submitted in German. Papers submitted in English will be integrated into the ISM International Congress.

## Presentations

All accepted papers will be presented by registered authors during sessions sorted to the congress subjects. Other papers can be displayed during poster sessions. All presentations should be held in the official languages and posters should be submitted in English.

Additionally workshops will be held within the National EuR Congress in German.

## Submission of Papers

Participants of the ISM International Congress are invited to submit papers related to the scientific subjects of the Congress in English or Russian to the ISM Presidium Member of their country.

The ISM Presidium Members representing their country will organize the qualification of the papers in their country based on the qualification form accepted by the ISM Presidium Members.

Where the country of an author is not represented by ISM, the paper should be sent directly to the Congress Scientific Committee.

### Qualification requires:

- ▶ It is new in theory
- ▶ It is new in practice
- ▶ It can be published in the Proceedings of the Congress

Young Authors (younger than 40), are invited to submit own papers (without older co-authors) to the ISM International Congress. During congress, a money award for the best paper will be provided and given at the Gala Dinner.

The Congress Proceedings will be provided on the Congress on a suitable electronic medium. Printed editions will be available on extra charge.

Participants of the National EuR Conference are invited to submit papers in German or English to the Congress Scientific Committee. Only papers that qualify will be accepted for presentation and/or publication at the Congress.

## Deadlines

Submission of abstracts is **December 01, 2012**.

Submission of full papers is **May 17, 2013**.

## Author Instructions

Author guidelines for the format of papers will be available on the ISM 2013 Congress Website. Russian speakers are requested to translate presentation slides into English. This will enable presentation in Russian to be followed by English speaking participants. All papers should have a title and abstract in English.

The following strict rules apply to the format of abstracts:

- ▶ Text: In English, max. 150 words, separated by a blank line, Arial, font size - 10 pt., single spaced, justified (to the side-margins)
- ▶ Margins: top - 2.5 cm, bottom - 2.5 cm, left - 2.5 cm, right - 2.5 cm
- ▶ Title: Arial, in bold type, font size - 14 pt., single spacing and central positioning, the first letter is upper-case (capital letter)
- ▶ Subtitle: Arial, in bold type, font size - 12 pt., single spacing and central positioning, the first letter is upper-case (capital letter)
- ▶ The author's name, organization and country/nationality below the title/subtitle, separated by a blank line, Arial, font size - 10 pt
- ▶ Key words: 3 to 4 words, separated by a blank line, Arial, font size - 10 pt

## Date & Venue

The XV International ISM Congress will take place from 16 - 20 September 2013 in Aachen, Germany at the EUROGRESS Convention Centre.

In the beautiful city of Aachen, Europe is more than a mere word. Here Europe is alive! In the immediate vicinity to The Netherlands and Belgium, people are used to meet each other across the „borders“ and to work in cooperation with each other. This attitude has shaped the city and has made its people more open to others.

*Impressions of Mining in Germany*

### Additional Sponsorship Opportunities

## Welcome to ISM 2013 Congress & Exhibition as Exhibitor/Sponsor

The International Society for Mine Surveying (ISM) in cooperation with the German Association for Mine Surveying (DMV) likes to invite you as an exhibitor and/or sponsor to join the XV<sup>th</sup> International Congress in Aachen, Germany from 16<sup>th</sup> to 20<sup>th</sup> September 2013.

### General Information

#### The Event

The ISM International Congress is the world's leading scientific conference in mine surveying. Approximately 500 participants from all major mining countries will participate. Therefore this event is an outstanding opportunity to meet world's leading experts in mine surveying as well as decision makers from the prospering international mining industry.

The event contents of keynote speeches, scientific and technical lectures, commission and working group meetings, technical tours to prominent German mining areas as well as a comprehensive exhibition and remarkable social events.

The scientific Conference Energy and Raw Materials 2013 (EuR 2013), organized by the German Association for mine Surveying (DMV), will be incorporated to the event.

#### Venue

The ISM 2013 Congress takes place at EUROGRESS Convention Centre in Aachen. The area of the accompanying exhibition is located in the lobby areas close to the lecture halls and meeting rooms.

**For further information please visit: [www.ism-germany-2013.de](http://www.ism-germany-2013.de)**

### Sponsoring Opportunities

ISM and DMV like to invite you to become a sponsor of ISM 2013 Congress. Therefore we offer a wide variety of sponsoring opportunities for every available budget. We realise that each individual company has different requirements regarding sponsorship. If you are looking for a custom-made sponsorship package that best meets your company's marketing objectives, please do not hesitate to contact us at [sponsoring@ism-germany-2013.de](mailto:sponsoring@ism-germany-2013.de).

Please, contact us also for any sponsorship suggestions you may have that are not listed in this guide or commit yourself for and benefit from a long-term sponsorship to ISM.

### Why Sponsor?

Sponsorship is perceived as a highly cost-effective method. If you are a sponsor of the XV<sup>th</sup> ISM Congress & Exhibition 2013 you receive a high visibility in a premium environment that makes your message stand out. The event's programme offers a diverse menu that is sure to help you reaching your target audience.

- As a sponsor of the world's leading event in mine surveying, you will
- ▶ increase your visibility to an international audience,
  - ▶ enhance your corporate image,
  - ▶ reach an influential, exclusive audience,
  - ▶ break through the media clutter,
  - ▶ associate your company with ISM, the world's only mine surveying society.

### Sponsoring Packages

#### General Sponsor

The ISM 2013 Congress & Exhibition incorporating DMV Conference Energy and Raw Materials 2013 offers the opportunity to become the General Sponsor exclusively to 1 sponsor. Being the General Sponsor will give you maximum exposure during the event.

Amount and particular benefits of the General Sponsor are matter of confidential negotiation.

#### Platinum Sponsors: 20,000 € (excl. VAT)
