Location: INRTU, Irkutsk, Russian Federation

Dates: to be confirmed

Responsibility: Anatoly Okhotin, Irkutsk National Research Technical University

#### **2022 ISM Congress**

Location: CUMT, Beijing, China

Dates: to be confirmed

Responsibility: Huang Leting, China ISM

## **2. Confirmation of the next President of ISM**

The current president Dr Andrew Jarosz proposed to follow the long standing tradition to elect the new president from the country and organisation that was granted organisation of the next ISM Congress. Particularly, he proposed that prof. Anatoly Okhotin would be elected as the new ISM President.

Prof Okhotin is very active member of the ISM Presidium, who participated in all ISM activities in the last few years. He is already organising and managing activities of 2019 ISM Congress Organising Committee. He is ISM Vice-President.

As there was no other proposals for the office, Prof. Anatoly Okhotin was confirmed, without any reservations, as the new elected ISM President for the period 2017 – 2022.

## **3. Confirmation of the Vice-Presidents**

The following persons were confirmed as the vice-presidents of ISM:

Dr Andrew Jarosz – the outgoing ISM President.

Mr Huang Leting – was elected as the Acting Vice-President, representing China, the organizer of the ISM Congress in 2022. It is expected that China ISM would formally confirm this election at the next ISM Presidium meeting in 2017.

## **4. Confirmation of the new ISM membership**

The following new ISM memberships were confirmed:

China Coal Society – admitted to ISM as the Corporate (Institutional) Member.

Uzbekistan – admitted to ISM as the new country member.

## **5. Miscellaneous**

There was no other business proposed by the participants of the meeting.

## **6. Closure**

The meeting was closed at 3:58pm
